Happy New Year!

Happy New Year to everyone. We hope you had a relaxing and healthy Winter Break filled with family.

With 2020 behind us, we will forge in 2021 with a positive attitude to be on track together as a collaborative team. I certainly spent some time reflecting on 2020 and my "why" of educating children. One of the things I appreciate most is the Collinwood Railroader rich history and community. My "why" is the ability to provide students with learning tools to develop strong relationships each day to become powerful in the social, emotional and academic world we live in.

As we approach the holiday honoring Dr. Martin Luther King Jr., Dr. King's work, and his legacy, I am reminded of one of my favorite quotes of his, "Our lives begin to end the day we become silent about things that matter."

The Collinwood High School staff is a staff that speaks out about things that matter. Together we continue to work diligently to provide a high-quality service of education for students and families. We place great value on seeing our students showing continued success and academic progress as they move through the COVID-19 pandemic. As we ring in the new year, we see this as an opportunity to improve our check-in with students and families to ensure our students are on-track and stay on track.
