CMUSD Free Tutoring

CMUSD offers live online tutors

The disruption of the COVID-19 pandemic has left many students in need of academic help as they work to get back on track.

Students in kindergarten through 12th grade can receive live online tutoring from CMUSD teachers in reading and English Language Arts, math, science and social studies from 3:30 to 7:30 p.m. Monday through Thursday.

Additionally, tutoring will be available to students in 6th through 12th grades 24 hours a day, 7 days a week through TutorMe.

You will need your child's CMUSD email address to register.

If you have questions or concerns regarding tutoring, email or call Cassandra Anderson at cassandra.anderson@clevelandmetroschools.org or 216-304-1408.

Students can have a CMUSD Teacher as a tutor Monday through Thursday 3:30-7:30 p.m. using this [Booking Link](#).

Students now have access to an online tutor 24/7. [Download directions to access TutorMe from your Clever account](#).
