

WELCOME TO COACH SAM'S VIRTUAL PLAYBOOK

First, on behalf of ALL staff, WE MISS YOU! And We look forward to seeing you again soon! During this time at home, it's important to still do the things that are most important: Have fun, stay fit, and keep reading!

We are working hard to bring the Coach Sam's Scholars program into your homes through your phones, computers, tablets, PlayStations, or any other electronic device you may use.

Every Wednesday, we will post helpful links, videos, and activities to our Coach Sam's Virtual Playbook. ALL students are encouraged to join in, participate, and share. There may even be some competitions and prizes in the future.
