Dear Parent/Guardian,

Our class is now using a free version of Studyladder. This website will help reinforce what has been taught in school, at home. Your child can access three free activities, after school hours.

*Please create a FREE parent account and you will be able to link up to 6 children in your family, including this new student account.*

*Already have a parent account? Make sure your child 'recovers points' to link their new student account to your parent account.*
