Nearly one in four households in Cuyahoga County have no internet access. Cuyahoga County and our partners are working to bridge the digital divide.

Free Computers for Eligible Seniors

Are you a Cuyahoga County resident age 60 or older without a computer? Are you low-income or receiving government assistance? You may be eligible for a free computer through this program, designed to help low-income residents bridge the digital divide.

How It Works:

1 Visit **pcsforpeople.org/ohio** to check your eligibility and register for a computer. Check your email for follow-up instructions!

2 Pick up your computer at a participating local library near you

3 Read over the "resource card" that comes with your computer to learn how to obtain an internet connection, and where to find help in learning to use your computer.

4 Enjoy being connected!
