MRS. EBERHART

SIXTH-EIGHTH GRADE

My name is Regina Eberhart,
I am a Paraprofessional for Special Needs Students in 6th-8th grade. I've worked in Special Education for over 20 years. I'm grateful and blessed to be able to work in Education for all these years to not only service Special Needs Students but all students. In my free time I like to eat out, shopping, travel, spending time with my three kids, family and friends.
