

University Hospitals is Hiring

At University Hospitals, rewarding career opportunities are just a click away.

We're growing, and we're looking to add the very best talent to our team. UH employees in both clinical and nonclinical positions enjoy a fast-paced and diverse work environment where they feel inspired and empowered. A comprehensive benefit package awaits you when you join UH, including but not limited to:

- Competitive salary
- Medical/dental/vision
- Paid time off
- Flexible work schedules
- Retirement and pension plans
- Employee rewards program
- College discounts/tuition reimbursement
- Adoption assistance, legal services and more

Nutrition Services Assistant (NSA) or Cook positions are available throughout our system. NSAs are responsible for daily food service duties necessary to meet patient and customer dietary needs. The primary responsibility of a Cook is to coordinate overall preparation and presentation of food while maintaining quality standards. **Start your job search today by logging on to [Careers.UHhospitals.org](https://careers.uhhospitals.org).** To view our open Food Service positions, select "Dietary/Food Services" in the Professional Area field or type "Food" in the Keyword/Position# field and click "Search".
