

Response to Intervention

Tier One

Fine Motor – Poor Hand Strength

The ability to perform complex muscle-and-nerve acts that produce movement; fine motor skills are small movements like writing and tying shoes.

Observable Indicators	Interventions	Accommodations/Modifications
<ul style="list-style-type: none"> • difficulty holding pencils, crayons • light pressure when writing • difficulty removing marker, glue stick caps 	<ul style="list-style-type: none"> <input type="checkbox"/> Geo Board <input type="checkbox"/> Peg Board <input type="checkbox"/> rainbow writing <input type="checkbox"/> tweezers <input type="checkbox"/> spray bottles <input type="checkbox"/> Ziploc bags <input type="checkbox"/> spray bottles <input type="checkbox"/> write on vertical line <input type="checkbox"/> string beads <input type="checkbox"/> animal walks <input type="checkbox"/> tear and crumple paper clothes pins 	<ul style="list-style-type: none"> <input type="checkbox"/> use small pencil and/or crayons
