Dear Parents,

Adlai Stevenson partners with the Greater Cleveland Food Bank to offer the Backpack for Kids program to our students and families. The Backpack for Kids grant program enables the Greater Cleveland Food Bank to provide food for low-income children and their families each weekend when they do not have access to the free and reduced-price school breakfasts and lunches available to them during the week. The bags include various items such as milk, pasta, tuna, peanut butter, vegetables, cereal, fruit and snack items. The bags containing these food items are delivered to Adlai Stevenson from the Greater Cleveland Foodbank and the volunteers here at the building distribute the bags to the children. The children take the food home over the weekend in an unmarked, nondescript bag provided to them by the Food Bank. The program is operated with respect for the children's confidentiality where applicable. The Backpack for Kids grant program enables the Greater Cleveland Food Bank to provide food for low-income children each weekend when they do not have access to the free and reduced-price school lunches available to them during the week.

Adlai Stevenson School will be continuing this program and would like to share this gift with your family. Bags will be passed out to the students at the end of the day on Friday's. Students will receive enough food supplies for all the children in your household.

Please complete the form attached so that we may be able to serve all the children and families in our school. If you have any questions, please feel free to contact Ms. L at (216) 407-2626. This form can be returned to me through email at mdowd@clevelandplayhouse.com, turned into the school or you can just call and provide me with the information requested on the form. If you would like to start receiving food bags as early as this Friday, please turn this form back into the school no later than Wednesday, Aug. 25, 2021.

Best Wishes,

Ms. L
Wraparound Site Coordinator,
Adlai E. Stevenson Prek-8 School
