

COVID – 19 VACCINATIONS

2000 Prospect Ave E, Cleveland, OH 44115/<https://www.wolsteincenter.com/>

Cleveland Metropolitan School District is collaborating with the Ohio Department of Health and other agencies to offer **COVID-19 vaccines** to students and their family. All individuals age 16 and older, including parents, are eligible. Teen's ages 16–17 must complete the required consent form, which must be signed by a parent or guardian.

First dose vaccines offered on the following days:

- **Saturday, May 8 between 10:00 am and 3:00 pm or Sunday, May 9 between 1:00 pm and 3:00 pm**

Why get the vaccine:

- Getting the COVID-19 vaccine protects your teen from serious illness, while helping reduce the spread of the virus and new, more severe virus variants.
- Although the vaccine may cause some minor, temporary side effects, the benefits of vaccination far outweigh the risks associated with COVID-19. More information available at [Check out the Facts](#)
