The 2023 CMSD Summer Learning Experience offers fun and adventure for students in grades PreK–12...and it’s FREE!

Go to ClevelandMetroSchools.org/SummerLearning to learn more!
The CMSD Summer Learning Experience is back for a third year with something for rising kindergartners through 12th grade. The program will be held at more than 26 school sites throughout the city.

Breakfast and lunch will be provided. K-8 students will receive yellow bus transportation from the nearest K-8 school. High school students will receive tickets to ride RTA.

Registration for this year will open April 3.

### FINISH, ENRICH AND ENGAGE

#### Rising Kindergartners–8

Students who attend in the morning can finish the school year strong and participate in enrichment projects. The rising kindergartners and kindergarten portion of the program will consist of hands-on, fun play-based learning experiences for students who are entering kindergarten and first grade. Students in grades 1-8 can choose enrichment projects in STEM, art or humanities. In the afternoon, students will engage in fun activities that involve community partners. They can sign up for a full or half day.

### FINISH AND ENGAGE

#### High School

High school students can finish the school year strong by making up credits or earning credits for next year. In the afternoon, they can take advantage of employment or internship opportunities. They also can travel to other sites in the afternoon for other engagement activities.

### Important Dates

**Registration starts on April 3**
