

Say Yes Family Survey

The Family Survey assists student support teams with identifying services for students in academic, health, and social/emotional areas. The system also provides school and community leaders with a large-scale view of each student's progress along the pathway to high school graduation and postsecondary education success.

If you complete the survey you will have a chance to win a \$500 gift card.

You will need your scholar's Student ID Number and Date of Birth.

Please contact John Morris at jmorris@sayyescleveland.org or call 216-838-7250 to get your Student ID Number.
