

Cleveland Metro Remote School K8

Welcome back!

Welcome back to the 2022-23 school year parents and caregivers.

A message from your Parent Ambassador.

Hello families, I am India Jones, your parent ambassador. I am a resource for parents and caregivers and CMRS faculty and staff. My main purpose is to help foster healthy two way communication between all families and all faculty. I represent the district's FACE department, family and community engagement. The FACE office is responsible for developing programs and strategies across the district that support meaningful engagement for families and people in the community. Please check out the parent tab on CMSD's website to learn more about FACE and other very important resources that can support you and your students' academic success this school year.

In this flier I would like to share information that was provided from our school's meet and greet August 18th, 2022.
