

# School-Parent Compact

## Campus International High School

2022-23 Academic School Year

Karen N. Byron-Johnson, Head of School

**Campus International High School**, scholars participating in the Title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the scholar will share the responsibility for improved scholar academic achievement as well as describe how the school and families will build and develop a partnership that will help scholars achieve the state's high standards.

### School Motto:

**A School for the Entire City. A School for the Entire World.**

### School Mission:

Campus International High School challenges and supports all community members to become self-directed, reflective, passionate, and principled inquirers who are lifelong learners and social change agents in our evolving local and global communities.

### School Goals:

(Aligned to the Academic Achievement Plan)

Teachers will facilitate learning environments that include providing all students with access to high quality text resources (informational and literary) in a variety of genre and formats (including digital text).

Beginning in the MYP, departments use the backwards planning approach rooted in the IB framework (ATL skills, criteria, Learner Profile, Learner Context) in preparation for the DP and its assessments.

## CLASSROOM, FAMILIES, SCHOLARS – TOGETHER FOR SUCCESS

### The Classroom

A Fall needs assessment will be given to staff to determine in what ways parent volunteers can best serve the scholars. The results will be shared at the September SPO meeting and opportunities published to all parents. Following the CMSD guidance, parent volunteers will be active members of the in-school community.
