Cleveland School of the Arts, scholars participating in the Title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the scholar will share the responsibility for improved scholar academic achievement as well as describe how the school and families will build and develop a partnership that will help scholars achieve the state's high standards.

### School Motto:

Excel Today. Perform Forever.

### School Mission:

As a school of performing arts, our mission is to help each individual perfect their craft and develop a love of art that propels them through life. We believe that art is one of the greatest forms of communication and we plan to spread the message of love and unity throughout the City of Cleveland.

### School Goals:

(Aligned to the Academic Achievement Plan)

CSA's AAP goals are measured via Performance Index, College Readiness, and SEL.

CSA teachers will prepare scholars to reach these goals through OST and SAT prep and practice tests and strategies.

Students will participate in advisory and electives that support social emotional learning and teachers will receive PD to help develop SEL embedded in the classroom.

Parent/Teacher Conferences will occur quarterly. Cleveland School of the Arts agrees to share data and progress toward school goals at PAC meetings and PTC's.

These goals will be communicated annually at the Back-to-School Meet & Greet event and Fall Open House gathering. Families are also able to access our request such information during the school district scheduled parent teacher conferences, the Family Resource Center/Room and/or Parent Page of the website.
