Rhodes College & Career Academy, scholars participating in the Title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the scholar will share the responsibility for improved scholar academic achievement as well as describe how the school and families will build and develop a partnership that will help scholars achieve the state's high standards.

School Motto:

Where kids come first, we are a team that believes in competency and mastery-based learning, and we embrace a culture of feedback and growth mindset and do whatever it takes!

School Mission:

RCCA instills, encourages, and nurtures our school community by learning, leading and fostering a legacy of informed and empowered global citizens. We believe: Educating and being educated is an act of social justice; Authentic learning happens when done through the lens of mastery learning, with a focus on critical reading, evidence based writing, problem solving, and professionalism; and Providing students with multiple pathways, aligned to their skills and interests, and engaging teaching and learning rooted in experiential learning will ensure all students have an informed voice and platform to share. At RCCA our students will be prepared to pursue any post-secondary pathway they choose, and inevitably, to change the world.

School Goals:

(Aligned to the Academic Achievement Plan)

The Rhodes College and Career Academy will represent the skillsets our scholars will have mastered by graduation. The pillars are made up of elements (group of skills) and strands (individual skills which prepare scholars to pursue any post-secondary pathway they choose, and inevitably, to change the world!

RCCA will provide high-quality curriculum and instruction and do so in a supportive and effective learning environment that includes providing respect for students and expression of inquiry and concerns.

- Scholars are free to ask questions and make mistakes.
- Parent Teacher Conferences will be held three (3) times a school year per the Districts' guidelines.
- Scholars and caregivers will receive on going social and emotional supports as they become acclimated to the virtual learning space.
- Scholars and caregivers will receive on going updates on academic progress via homework assignments quizzes, book reports, interim progress reports, school website, and teacher feedback]'s AAP goals are measured via Performance Index, College Readiness, and SEL.

These goals will be communicated annually at the Back-to-School Meet & Greet event and Fall Open House gathering. Families are also able to access our request such information during the school district scheduled parent teacher conferences, the Family Resource Center/Room and/or Parent Page of the website.
