

# PSAT 8/9 TESTING

## October 25-29, 2021

### FOR MORE INFORMATION

Contact your child's school with questions related to testing, practice resources or requirements.

Call **216.838.4952**  
to reach the Assessment,  
Testing and Logistics Office.

We are back to normal test administrations and requirements starting with 2021-2022 school year. Students enrolled in **grade 9** are required to take the **PSAT 8/9**.

The district realizes the importance of this assessment and that participation of our scholars in the **PSAT 8/9** testing opportunity is a great way for students to have prior knowledge and experience before taking the required PSAT/NMSQT in grades 10 and 11, and then further on to take the SAT in the Spring of the current school year.

**PSAT 8/9** is an online administration. **Testing will be conducted at all high school buildings.** Scholars will report to test at their assigned school. School staff will coordinate and communicate with families on when and where scholars are to report on a scheduled date, time and location.

The designated testing date for the **PSAT 8/9** is scheduled to begin **Monday, October 25, 2021**, which will be administered as an online exam. All students are required to wear a facemask while inside the school building. Students will not be able to enter the testing site without having a facemask and photo ID.

This is a timed test and school staff will have protocols in place for students to leave at the conclusion of the assessment. Early dismissals will not be permitted. The school will provide any test materials needed for testing. Temperature checks will be conducted prior to entering the testing sites. Students must arrive on time.
