

SAT TESTING

March 2-4, 2022

FOR MORE INFORMATION

Contact your child's school with questions related to testing, practice resources or requirements.

Call **216.838.4952**
to reach the Assessment,
Testing and Logistics Office.

SAT is an online administration given to students who are currently enrolled in grade 11 and/or those that are of cohort 2023 (set to graduate in the Class of 2023 regardless of currently enrolled grade). **Testing is conducted in person at all high school buildings.** As with the other College Board tests (PSAT 8/9 and PSAT/NMSQT), scholars will report to their assigned school to take the test. School staff will communicate with families and scholars to report on a scheduled date, time and location.

The designated testing date for the **SAT** is to start on Wednesday, March 2, 2022. All students are required to wear a facemask while inside the school building. Scholars will not be allowed inside the testing site without having a photo ID. This is a timed test and school staff will put protocols in place for students to leave at the conclusion of the assessment. Early dismissals will not be permitted. Schools Non-testers will not be permitted to enter the testing site.

The school will provide the required test materials on test day. Students must arrive on time.
