

## Greater Cleveland Chapter

# NSBE Jr.

NATIONAL SOCIETY OF BLACK ENGINEERS

# JOIN US TODAY!!

The National Society of Black Engineers, a national student and professional based organization, does hereby dedicate itself to develop intensive programs for increasing interest in technical fields such as science, engineering, and math among pre-college students.

The Mission of the National Society of Black Engineers (NSBE) is "to increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community."

## About Us

The NSBE Jr Greater Cleveland Chapter aims to help pre-college students explore opportunities in the technical industry. This program is open to Northeast Ohio students who are in grades K - 12 who plan to attend college and pursue technical degrees.

*Annual Local & National Membership Dues are \$25*

## Greater Cleveland NSBE JR Inclusion

Although this is our mission, we are not exclusive; we welcome all students who believe in excelling academically, succeeding professionally and wants to make a positive impact on their community. NSBE has a diverse range of student participants: African American, Asian, Hispanic, and other diverse groups.

## Monthly Meetings

We meet on the 2nd Saturday during the school year from September through April from 9 am to 11 am. Each session has a different presentation from various Professionals, primarily those in the STEM field.

## Location

Sears think[box]  
11201 Cedar Ave  
Cleveland, Oh 44106

## Scholarships and more

Scholarships, Grants, Internships, and more are available. As information is received, we will send out information to our NSBE Jr. Students and Family.
