Student Learning Kits (to be distributed during the week of April 14, 2020)

**Supplies:** ruler, crayons, pencils, glue sticks, scissors, paper, markers, composition book

**Math:** Math Journal

**Literacy:** Daily Interactive Reading Comprehension Journal, Writing Prompt Journal, Daily Language Practice Book, Interactive Phonics Journal

**Science:** Daily Science Activity Journal

**Art:** watercolor paint, paper

**Picture Book**

Additional Student Supports:

**Individual Supports**
Please reference the “Helping Your Child at Home in Reading” and “Helping Your Child at Home in Math” documents shared as well as the Individual Supports packet of information for additional access to individual student supports as needed.

**English Language Learners**
Please reference the Academic Enrichment Packet for English Language Learners to access additional student supports as needed.

Please reach out to your child’s school if you have any questions or need assistance with login information.

### Social Emotional Development Resources:

|-----------------------------------------------------|-----------------------------------------------------------------------------------|
Dear Parents/Guardians,

In the work packet, you will find assignments for the below subjects. Most often there will be more than one assignment for a subject area. After your child completes the assignment(s) in each area, he/she should place a check in the box. This checklist will help your child monitor his/her completion of tasks, as well as promote responsibility. --Thank you!

Imagine that there is a book that you want. You need to buy it to have it. And you need money to buy it.

People can earn money. That means they can get money for doing work. Lots of people have jobs so they can earn money.

People can spend money that they have. That means they can use it to buy something. If you earn money, you might be able to buy the book!

People can also save money. That way, they have money for later. If you save your money, one day you could get more books!
job

Definition

noun
1. work a person does every day or every week and gets paid for.

*Does your job require you to wear a uniform?*

2. a particular piece of work.

*Cleaning the windows was a big job.*

3. a duty or responsibility.

*It's his job to mow the lawn.*

4. (informal) a difficult task.

*It was quite a job to convince him to go.*

5. (informal) an operation using plastic surgery, done for the purpose of enhancing appearance.

*She's in the hospital getting a nose job.*

6. the performance of a particular task in terms of its quality.

*Your daughter did a great job on her science project!*

intransitive verb
1. to work at irregular jobs or by the piece.

2. to buy goods in large quantities and resell them to retail establishments.

transitive verb
1. to buy (goods) in large quantities from wholesale merchants and sell to retailers.

2. to assign (jobs) to various different contractors (often fol. by out).

These are some examples of how the word or forms of the word are used:

1. "I see you learned a lot about the memorial," said his father. "Great job!"

2. At the end of the day, his teacher said, "You did a good job, Jon!"

3. People have different jobs. There are teachers and firefighters. Some people are police officers. Some people are doctors.

4. Flowers look pretty, but they have a job too! They make sure new plants will grow. Seeds grow inside flowers. The seeds will fall to the ground.
money  mon·ey

Definition

noun

1. the coins or paper bills of a country that are used to buy things or pay for services.

   How much money do we have in the bank?

2. any article that is used to represent comparative values and is exchangeable for goods and services; medium of trade.

3. wealth.

4. an unspecified amount of currency.

Spanish cognate

moneda: The Spanish word moneda means money.

These are some examples of how the word or forms of the word are used:

1. People don't spend all their money at the same time. They keep some for another time. That is called saving.

2. This month, the U.S. Mint (the place where money is made) began making one-dollar coins that show the faces of our presidents in the order they served in office.

3. "What do you do with the money they pay you?"
   "I use it to buy supplies for my farm," he answered. "I also use it to pay the people who work for me."
**spend**  spend

**Definition**

**verb**

1. to use money to buy things.

   *He spent all his money.*

   *I will spend my money on a new book.*

2. to use time doing a particular activity.

   *He spends a lot of time watching TV.*

3. to use up completely.

   *After the long rehearsal, her energy was spent.*

**intransitive verb**

1. to disburse money.

---

**These are some examples of how the word or forms of the word are used:**

1. Jaguars are wild cats. They **spend** most of their time in small trees and on the forest floor.

2. Then the panda **spends** less time with its mother. It likes to be on its own. It will climb trees. It will sit in their branches.

3. An amphibian is an animal that **spends** part of its life in water and part on land. Most have smooth, wet skin. Frogs, toads, newts, and salamanders are amphibians.
1. How can you get the things that you want?

- eat them
- buy them

2. What do you need to buy things?

- money
- friends

3. What do people have to earn money?

- a job
- a family
4. What do we call it when we use money to buy something?

5. What does it mean to earn money?

Earning money means getting money for doing __________.
6. What did you learn from "Earning, Spending, and Saving"?

_________________________________________

_________________________________________

_________________________________________

_________________________________________

7. Draw a picture of someone saving money.
Draw a picture of your home!

What are a few words that describe your home?

Write a sentence about your favorite part of your house:
Kindergarten Week 1 Day 3 Art

Scrap paper, magazines and catalogs all crowd my recycle bin. So today I put them all to work for me and made this recycled alphabet craft using only one piece of paper that hadn’t been rescued from the bin. It’s fun, bright and makes a great long term cooperative art project for young kids. Pull it out when it’s rainy and search for a few letters in a magazine, glue them on and add some more another day. I like projects like these because they teach young kids how be committed to something over more than 20 minutes. Also in classrooms these long term cooperative projects always seemed to be the greatest sources of pride for my students.

1. Gather your materials. You will need one large piece of paper, some construction paper scraps, glue, a pen, some magazines/catalogs and scissors.

2. Start by cutting your construction paper into squares (or any other shape)- this just makes a fun frame, you can skip this and simply glue the letters onto the paper too.

3. Glue them on. This is a fun way to get your child counting to 26, as well as figuring out how to fit all on one page. If your child is really young I would probably do this
before bringing them into the activity, just so their energy is on the letters, not the set up.

4. Write the alphabet on the construction paper squares.

5. Cut some letters out of the magazines for your child if they need help. I did this for every age group I worked with up until school age. They are still challenged looking for the individual letters but not frustrated by looking for them in magazines that may or may not have what they need. * Tip … auto magazines are great for these activities, because of the abundance of car makes with Z, Q and X letters that are usually a pain to find.
6. Start adding the letters on. Go for as long as your child wants. This does not need to be done in one sitting!

7. To make it more challenging for older kids have them find only upper or only lowercase letters.
K week 2 Day 4 Homemade strummers

What you will need:

- Any size box (small is best for smaller hands!)
- A variety of rubber bands
- Markers/crayons to decorate

The children added rubber bands around the boxes to create the strings for the strummers. The children discovered that the smaller the rubber bands, the better the sound so they sorted through all sizes of rubber bands to find the smallest ones available.
Exploring Sound and Vibration

To play a strummy, you simply pluck or strum your finger across the strings. Before heading off to make our strummies, the children explored a set of strummies I had already made and we talked together about the different sounds the strummy makes when you strum versus pluck the strings of the strummies...
My Photo Journal! K Weeks 1 & 2 Day 5

Pictures can tell a story! What is YOUR story?

**What do I need?** Any camera! (ask a caregiver for help!)

**What do I do?** Take as many pictures of things you find interesting, beautiful, gross, inspiring or just plain picture worthy as you can each week. Ask a caregiver to help you with the weekly theme! Make sure you save your work to share with friends and family!

**Week 1: Changes**

Perhaps you were going to visit family or take a vacation, or you are used to going to the park or a friend’s house. Everything is different. Take pictures with a camera that show how your world has changed and explain why with an artist’s statement.**

**Week 2: Patience**

When things change, sometimes we just want everything to be the way it used to be. To get through it we need patience. Take pictures that represent the idea of patience and explain why these images show patience for you.

**Week 3: Staying home**

Sometimes our home, or bedroom, or school, or any space we see every day can feel unexciting. Use your camera to zoom in on common objects and discover something new in the common and ordinary. Record your thoughts in an artist’s statement.

**What is an artist’s statement?** Write or say few words telling the world why this picture matters to you.

Itsy Bitsy Spider

The itsy bitsy spider
Climbed up the water spout.
Down came the rain
And washed the spider out.
Out came the sun
And dried up all the rain.
And the itsy bitsy spider
Climbed up the spout again.
Looking at Words and Letters

☐ 1. Ask your child to find the shortest line in the poem and then count the words in that line.
☐ 2. Ask your child to find and underline each “s” in the poem.
☐ 3. Ask, What is this poem about?

Playing With Sounds

☐ 1. Say, Let's change the word rain. What if we added "t" to the beginning? What word would that be? (train) What if the word started with "p"? (pain) What if it started with "spr"? (sprain)
☐ 2. Say, I will stretch out some words. You tell me what they are:
    rrr...aaay...nnn (rain)
    c...aaay...mmm (came)
☐ 3. Say, Now you try it. Stretch these words out: sun, spider.

Beginning to Read

☐ 1. Ask your child to name some words that rhyme with sun. Write them as your child says them. To start off, offer some beginning sounds: “b,” “f.”

☐ 2. Say, Do these words end with the same sound?
   itsy, bitsy     down, came     and, rain     spout, out

☐ 3. Ask your child to draw a picture of the poem, then tell you what it is about.

☐ 4. Write spout on a sheet of paper. Point out the letters "out." Brainstorm, write, and read other words that rhyme and explain that all these words belong to the "out" word family.

☐ 5. Together, choose two or three words from the poem. Add them to your word wall and practice these words daily. Or add them to your child's word bank (a collection of words on cards, one word per card).
