INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is submitted for assistance in obtaining a copy of those regulations (13 CFR Part 145).

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions,” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the ineligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Section V: Diversity Business Enterprise Participation Forms

Part I: The District’s DBE Program

PROGRAM OVERVIEW

It is the goal of the Diversity Business Enterprise (DBE) program to ensure the firms owned and/or controlled by minorities and women have the opportunity to compete for any expenditure of funds including but not limited to contracts, lease purchase, requisitions, and all forms of equipment, work services, materials, construction, etc.

The DBE program shall make every good faith effort to ensure that certified DBE’s in the relevant Cleveland Municipal School District geographic market have the maximum opportunity to bid for contracts. The Cleveland Municipal School District geographic market is Cuyahoga, Summit, Lake, and Lorain counties.

The District has established goals for DBE participation in all contracts that it awards. The goals range from 15 to 30 percent and vary by the type of contract awarded:

- 15% Service Contracts
- 20% Goods and Supplies
- 30% Maintenance/Construction Repair

A Diversity Business Enterprise encompasses Minority Business Enterprises (MBEs) and Female Business Enterprises (FBEs).

A DBE is an enterprise in which minorities, African Americans, Native Americans, Hispanic or Latin Americans, Asian Pacific Islander Americans, and/or women own at least 51% of the shares of stock or controlling interest.

A FBE is a female-owned enterprise with at least 51% of the shares of stock or controlling interest, which is held by female.

A company may be in compliance with the District’s DBE program although the applicable numerical goal is not met if a company makes a good faith commitment to comply with DBE regulations. The Purchasing Director determines whether a company has made a good faith commitment.

DBE requirements under certain circumstances can be waived by the district with convincing proof of good faith efforts.
TERMS AND CONDITIONS OF NOTICE AND REQUIREMENTS TO ENSURE DIVERSITY BUSINESS ENTERPRISE (DBE) OPPORTUNITY

Definition of DBE: A Diversity Business Enterprise (DBE)

“Small Diversity business concern” means a small business concern that is at least fifty-one (51) percent unconditionally owned by one or more individuals who are both socially and economically diverse, or a publicly owned business that has at least fifty-one (51) percent of its stock unconditionally owned by one or more socially and economically diverse individuals and that has its management and daily business controlled by one or more such individuals. This term also means a small business concern that is at least fifty-one (51) percent unconditionally owned by an economically diverse Indian tribe or Native Hawaiian Organization, or a publicly owned business that has at least fifty-one (51) percent of its stock unconditionally owned by one of these entities, that has its management and daily business controlled by members of an economically diverse Indian tribe or Native Hawaiian organization.

1. “Socially diverse individuals” means individuals who have been subjected to racial or ethnic prejudice or culture bias because of their identity as a member of a group without regard to their qualities as individuals.

2. “Economically diverse individuals” means socially diverse individuals whose ability to compete in the free enterprise system is impaired due to diminished opportunities to obtain capital and credit as compared to others in the same line of business who are not socially diverse. Individuals who certify that they are members of named groups (African Americans, Hispanic Americans or Latin Americans, Native Americans, Asian-Pacific Islander Americans, Subcontinent Asian Americans) are to be considered socially and economically diverse.

Definition of FBE: Female Business Enterprise (FBE)

“Female-owned small business concern” means a small business concern:

1. Which is at least fifty-one (51) percent owned by one or more women; or, in the case of any publicly owned business, at least fifty-one (51) percent of the stock of which is owned by one or more women and;

2. Whose management and daily business operations are controlled by one or more woman.

TERMS

1. DBE participation will be counted toward meeting the goals outlined in the notice as follows:
   a. The total dollar value of a correct contract or subcontract indirect subcontract awarded toward a certified DBE will be counted toward the applicable goal.

   b. In the case of a joint venture, certified by the Cleveland Municipal School District, the portion of the total dollar value of the contract equal to the percentage of the ownership and control of the DBE partner in the joint vendor will be counted toward the applicable goal. (PLEASE RETURN DBE FORM E)

   c. Only expenditures to DBE that perform a commercially useful function in the work of a contract or subcontract or indirect subcontract will be counted toward DBE goals. A DBE is considered to perform a commercially useful function when it is responsible for
execution of a distinct element of work of a contract or subcontract and carries out its responsibilities by actually performing, managing, and supervising the work involved. If a DBE contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the DBE is presumed not to be performing a commercially useful function. The DBE may present evidence to rebut this presumption.

d. The total dollar value of materials and supplies obtained from DBE suppliers and manufacturers will be counted toward DBE goals if the DBE assumes the actual and contractual responsibility for the provision of the materials and supplies.

2. A bidder who fails or refuses to complete and return this Notice may be deemed a non-responsive bidder.

3. The contractor's goals as set forth in this Notice shall express the contractor's commitment to the percentage of DBE utilization during the term of this contract. The contract shall be deemed to have met its commitment for DBE utilization if the DBE utilization rate of the contractor meets the goals established by this Notice.

4. The contractor must receive the approval of the District before making substitutions for any subcontractors listed in the Notice. Substitution of DBE is not allowed unless the contractor receives District approval.

5. The contractor's commitment to a specific goal is to meet the DBE objectives and is not INTENDED and shall not be used to discriminate against any qualified company or group or companies.

6. The contractor's commitment to a specific goal for DBE utilization as required by this Notice shall constitute a commitment to make every good faith effort to meet such goal by a subcontracting to or undertaking to joint venture with DBE firms. If the contractor fails to meet the goal, it will carry the burden of furnishing sufficient documentation as part of the bid response of its good faith efforts to justify a grant of relief from the goals set forth in this Notice. Such justification will take the forms of a detailed report which will document at least the following information:
   a. Attendance at the pre-bid meeting, if any, scheduled by the District to inform DBE's of Subcontracting opportunities under a given solicitation.
   b. Advertisement in general circulation media, trade association publications, and minority-focus media for at least twenty (20) days before bids or proposals are due. If twenty (20) days are not available, publication for a shorter reasonable time is acceptable.
   c. Written notification to DBE that their interest in the contract is solicited, and follow-up contact to determine whether the DBE's were interested.
   d. Efforts made to select portions of the proposed work to be performed by DBE in order to increase the likelihood of achieving the stated goals.
   e. Efforts to negotiate with DBE for specific sub-bid, including at a minimum:
      i. The names, addresses, and telephone numbers of DBE's that were contacted.
      ii. A description of the information provided to DBE regarding the plans and
specifications for portion of the work to be performed; and

iii. A statement of why additional agreements with DBE were not reached.

iv. Completion of (Form E) if DBE's are not involved in the ITB.

f. Concerning each DBE the supplier/contractor contacted but rejected as unqualified, the reasons for the supplier's/contractor's conclusion.

g. Efforts made to help the DBE's contacted that needed assistance in obtaining required bonding, lines of credit, or insurance.

h. Use of the services of minority community organizations, minority contractor's groups, governmental minority business assistance offices, and other organizations that assist in the recruitment and placement of DBE's.

7. Suppliers/contractors that fail to meet DBE goals and fail to demonstrate sufficient good faith efforts are not eligible for contract awarded.

8. The District, through its Diversity Officer will review the contractor's minority business enterprise involvement efforts during performance of this contract. Such review will include, but not be limited to, contractor's quarterly statement of income from the District and what portion of said income went to the DBE enterprise(s) as evidenced by affirmation of the DBE enterprise(s) which the contractor hereby agrees to supply each quarter during the term of its contract with the District. If the contractor meets its goal or if the contractor demonstrates that every reasonable effort has been made to meet its goal, the contractor shall be presume to be in compliance. Where the Diversity Officer finds that the contractor shall be presume to be in compliance. Where the Diversity Officer finds that the contractor has fail to comply with the requirements of this Notice, said Diversity Officer shall inform the Purchasing Director who shall immediately notify the contractor to take corrective action. If the contractor fails or refuses to comply promptly, then the Purchasing Director, upon approval of the District, shall issue an order shopping all or part of the work until satisfactory corrective action has been taken. No part of the time lost due to any such stop orders shall be made subject of claim for extension of time or for excess costs or damages by the contractor. When the District proceeds with such formal action it has the burden of proving that the contractor has not met the requirements of coming forward and showing that it has met the good faith requirements of the Notice, specifically including paragraph 7 hereof. Where the contractor is found to have failed to exert every good faith effort to involve DBE in the work provided, the District may declare that the contractor is ineligible to receive further District funds, whether as a contractor, subcontractor, or as a consultant, for a period of up to three (3) years.

9. The contractor will keep records and documents for three (3) years following performances of this contract to indicate compliance with this Notice. These records and documents, or copies thereof, will be made available at reasonable times and places for inspection by any authorized representative of the District upon request together with any other compliance information which such representative may require.

10. Bidders and contractors are bound by all requirements, terms and conditions of this Notice.

11. Nothing in this Notice shall be interpreted to diminish the present contract compliance review.

A. SUBMISSION OF VENDOR EMPLOYMENT PRACTICE REPORT

All vendors and contractors who propose to provide goods, services, supplies, and equipment through formal bids, informal bids, and contract term agreements are required to submit a Vendor Employment Practice Report with each Bid. Approved status by the Vendor Employment Practice Report includes the following documents which must be completed in their entirety and returned with the bid.

Please note, compliance approval consists of both DBE and Vendor Contract Compliance approval.

1. General Information Sheet (Form 1): Provides basic information on the vendor.

1a. SMSA/OR RECRUITMENT AREA: Indicates the relevant labor area in which your facility is located. Designate the Standard Metropolitan Statistical Area, county, or city from which the facility can draw applicants or recruit for most positions.

In making relevant labor area determinations, examine the statistics on racial, ethnic, and gender composition of the Standard Metropolitan Statistical Area, county, or city surrounding your organization, as well as other appropriate adjacent areas.

The relevant labor area should be the SMSA county or city with the highest population of minorities and women.

1b. DEFINITION: As defined by the U.S. Bureau of the Census, SMSA is: “Except in the New England States, a county or group of contiguous counties which contains at least one city of 50,000; in addition contiguous counties if they are socially and economically integrated within the central city; in the New England States towns and cities instead of counties. Each SMSA must include at least one central city.”

2. Compliance Declaration Form (Form 2) - The Agreement indicating the vendor is in compliance with Equal Employment Opportunity requirements, will take affirmative action, and will comply with all Fair Labor Standard practices.

3. Current Employment Data Form (Form 3) – Current personnel data indicating employees in each job category classified by gender and race.

B. EVALUATION OF COMPLIANCE DATA

1. The Diversity Officer will evaluate data submitted by vendors who are recommended to receive District bids and contracts. Vendors found in compliance with the District’s Equal employment opportunity standards (Affirmative Action and DBE Program) will be placed on the approved vendor’s list.

2. In the event that a vendor is found not in compliance with the District’s equal employment opportunity standards, the Diversity Officer will inform the Purchasing Director of the Reason(s) and ask that the Purchasing Director not award the contract or bid to the vendor pending compliance. The Purchasing Director or Manager of Diversity will inform the vendor of reason(s) for non-compliance. Vendors found not in compliance will be given ten (10) business days from the time of notification by the Purchasing Director or Manager of Diversity to submit an acceptable affirmative action program to the Diversity Officer.

3. If the vendor which has been found not in compliance submits an acceptable affirmative action plan to the Diversity Officer within ten (10) business days of notification, the vendor may be given conditional approval.

C. AFFIRMATIVE ACTION PLAN

1. Vendor found not in compliance with the District’s equal employment opportunity standards are expected to develop and implement affirmative action programs if they expect to be eligible to successfully propose for District contracts.

2. While it is the vendor’s responsibility to develop an affirmative action program which will result in equal employment opportunity for persons from all sectors of the community, the Officer in Charge of the Diversity Program may refer prospective bidders to resources which may be of assistance in developing affirmative action programs.

3. In the event that a vendor who has been awarded a District contract does not make satisfactory progress toward goals in the affirmative action program, the District will not negotiate a new contract until the vendor assures the Diversity Officer that significant progress will be made.

D. CONDITIONS UNDER WHICH BIDS MAY BE REJECTED OR CONTRACTS TERMINATED ON EQUAL EMPLOYMENT OPPORTUNITY GROUNDS

1. Vendor fails to submit completed and signed EEO documents with bid or other requested information in a timely manner.

2. The vendor is found not to be in compliance with EEO laws, regulations and District policy, and does not have an acceptable Affirmative Action Program, or if the vendor has an acceptable Affirmative Action Program but the Diversity Officer determines the vendor has not made satisfactory progress toward goals in the plan and shows no promise of achieving the goals.

3. Any inconsistencies of misrepresentation of the facts in any of the requested information designed to portray the vendor in a more favorable position with respect to Equal Employment Opportunity Compliance will be grounds for cancellation of the contract by the Purchasing Director upon recommendation by the Diversity Officer and confirmation by the Cleveland Municipal School District.

FIRM OR CORPORATE NAME: ___________________________ DATE: ___________________________
SIGNATURE: ___________________________ TITLE: ___________________________
This Construction Agreement (the “Agreement”) is made as of ____________ by and between THE CLEVELAND MUNICIPAL SCHOOL DISTRICT, 1111 Superior Ave. E, Suite 1800, Cleveland, Ohio 44114 (the “District”) and ________________________ (the “Contractor” and, to together with District, the “Parties”) and is for the purposes described below.

1. **CONTRACT PURPOSE.** The purpose of this contract is Collinwood Tunnel Slab (the “Project”). The Contractor shall perform all work (“Work”) described in ITB __________. The bidding documents, drawings and specifications and the Contractor’s bid are included in the contract terms and conditions as if rewritten herein.

2. **TERM.** This Agreement shall commence on the date first written above, and Contractor shall attain final completion of the Work not later ____________ calendar days following issuance of a Purchase Order unless an extension is granted in writing by the District; provided, however, that the District may terminate this Agreement at any time without obligation and without cause by giving fourteen (14) days’ written notice to the Contractor under the Termination for Convenience clause below. Contractor acknowledges that time is of the essence in this Agreement and that the Project shall be completed on or before the date set forth herein for final completion. If Contractor fails to complete the Project on or before the date set forth herein for final completion for any reason other than a default or delay caused by the District, the Contractor hereby agrees to pay the District, as liquidated damages, the sum of $200.00 per day for each calendar day beyond the date set forth herein for final completion. If Contractor fails to complete the Project on or before the date set forth herein for final completion for any reason other than a default or delay caused by the District, the Contractor hereby agrees to pay the District, as liquidated damages, the sum of $200.00 per day for each calendar day beyond the date set forth herein for final completion that the Contractor fails to complete the Project. The amount of liquidated damages is fixed and agreed on between the District and the Contractor because of the impracticality and difficulty of ascertaining the true value of damages that the District will sustain by failure of the Contractor to complete the Project on time. Contractor may work on the Project during ordinary business hours unless otherwise agreed to by the District.

3. **COMPENSATION.** This is a fixed-price contract. Subject to the terms and conditions of this Agreement, the District shall pay the Contractor the amount of __________ (the “Contract Sum”), based upon the Base Bid plus Alternate option on the bid form submitted by Contractor submitted by the Contractor on ____________. The Contractor shall submit to the District, before the first invoice, a schedule of values, allocating the entire Contract Sum to the various portions of the Work, prepared in such form and supported by such data to substantiate its accuracy as the District may require. This schedule, unless objected to by the District, shall be used in reviewing the Contractor’s invoices. If all or part of any funds of the Contractor that are held by the District, whether it be retainage, escrowed funds or otherwise, should be attached, garnished or levied upon under any order of court, or if the delivery thereof shall be stayed or enjoined by any order of court, or if any other writ, order, judgment, or decree shall be made or entered by any court affecting the held funds, or any part thereof whether with or without jurisdiction, and in case District obeys and complies with any such writ, order judgment, or decree, District shall not be liable to the Contractor, its successors, or assigns, and Contractor shall indemnify and hold District harmless for its compliance with such writ, order, judgment or decree, notwithstanding that such writ, order, judgment or decree be subsequently reversed, modified, annulled, set aside, or vacated.
4. **COORDINATION OF THE WORK.** The Contractor is responsible for scheduling the Work and coordinating the subcontractors. The Contractor shall supervise and direct the Work, using the Contractor’s best skill and attention. The Contractor shall be solely responsible for and have control over construction means, methods, techniques, sequences and procedures, and for coordinating all portions of the Work under the Contract, unless the Contract Documents give other specific instructions concerning these matters. Unless otherwise provided in the Contract Documents, the Contractor shall secure and pay for the building permit as well as other permits, fees, licenses, tests, and inspections by government agencies necessary for proper execution and completion of the Work that are customarily secured after execution of the Contract and legally required at the time bids are received or negotiations concluded. The Contractor shall give the District timely notice of when and where tests and inspections are to be made so that the District may be present for such procedures.

5. **PAYMENTS.** Subject to the retainage provisions of Ohio Revised Code Sections 153.12, 153.13 and 153.14, the Contractor will provide an invoice each month on or about the 15th day of the month containing a detailed summary of the Work completed by the Contractor for the previous month. Each invoice shall be accompanied by a certified payroll report as more specifically set forth in Article 37 herein. The District will render payment to Contractor within ninety (90) days after receiving such invoice. Contractor shall provide such documentation as requested by the District that the Work described in the invoice was actually provided. Failure to provide such documentation upon the District’s request shall excuse the District from paying for the invoiced Work. Contractor will not submit invoices for materials stored off site unless the off-site storage has been approved by the District, which approval may be withheld in the District’s sole discretion. The Contractor warrants that title to all Work covered by an invoice will pass to the District no later than the time of payment. The Contractor further warrants that upon submittal of an invoice, all Work for which payments have been received from the District shall be free and clear of liens, claims, security interests or other encumbrances adverse to the District’s interests.

The Contractor shall pay in full all bills incurred by the Contractor for the Contractor’s Work, and shall submit upon the District’s request receipted invoices or waivers of lien as evidence of payment in full of Contractor’s bills. The District reserves the right to withhold from any payment hereunder amounts claimed against the Contractor or the Contractor’s surety company representing obligations arising out of the Contractor’s Work, until Contractor provides to the District evidence of payment of such obligations. The District also reserves the right to withhold from any payment hereunder the amount of any expense, loss or damage that the District sustained or reasonably expects to sustain as a result of nonperformance or faulty or delayed performance by the Contractor under this Agreement. The District may apply such amount in payment of the expense, loss or damage sustained.

Final payment on this Agreement shall be payable within ninety (90) days after final completion of the Contractor’s Work, the final acceptance thereof by the District, and receipt of a final invoice from the Contractor. No payment made shall be evidence of the performance of Contractor’s Work, either in whole or in part, and no payment, including the final payment, shall be construed to be an acceptance of defective Work or improper materials used by the Contractor. Anything herein contained to the contrary notwithstanding, acceptance by the Contractor of the final payment shall constitute a full and final release by the Contractor of all claims against the District. As a condition precedent to the Contractor receiving final payment the Contractor shall also submit to the District (a) as-built drawings, (b) a complete list of Subcontractors and principal vendors on the Project, including addresses and telephone numbers, (c) an indexed, loose leaf binder containing complete installation, operation, and maintenance manuals, including all manufacturers’ literature, of equipment and materials used in the Work, (d) an indexed, loose
leaf binder containing all inspection reports, permits, and temporary and final certificates of occupancy and licenses necessary for the occupancy of the project, and (e) any and all other items required pursuant to the Contract Documents. The making of final payment shall constitute a waiver of claims by the District except those arising from (1) liens, claims, security interests or encumbrances arising out of the Contract and unsettled; (2) failure of the Work to comply with the requirements of the Contract Documents; (3) terms of special warranties required by the Contract Documents; or (4) Contractor’s indemnity obligations under this Agreement.

The Contractor is not entitled to payment of the Contract Sum if the Work under this Agreement is no longer needed, required or requested by the District, or if this Agreement is terminated by the District with or without cause. The District is not liable in any manner for expenses incurred by the Contractor through its utilization of third-party vendors or contractors.

This indemnification and hold harmless obligation survives the term of this Agreement.

7. INDEPENDENT CONTRACTOR STATUS. The District will provide no benefits such as health insurance, unemployment insurance, or worker’s compensation insurance to the Contractor. 9. **NO DAMAGES FOR DELAY.** The District shall not be held responsible for any loss, damage, costs, or expenses sustained by the Contractor as the result of any project delays, disruptions, suspensions, Work stoppages, or interruptions of any kind, whether reasonable or unreasonable or whether occasioned by changes ordered in the Work or otherwise caused by an act or omission of the District, its agents, employees, or representatives, or by any cause whatsoever beyond the control of the Contractor.

10. **FINDINGS FOR RECOVERY/ DEBARMENT OR SUSPENSION.** Contractor represents that it has no unresolved findings for recovery against it by the Ohio Auditor of State or any notice of debarment or suspension from any Federal Agency. 11. **CRIMINAL BACKGROUND CHECK.** Contractor shall perform or cause to be performed an Ohio Bureau of Criminal Investigation and Identification and Federal Bureau of Investigation criminal background check of the employees of Contractor or of any subcontractor that will perform Work or services or otherwise be present at the Project site within the proximity of students of the District. Prior to the performance of any services by such employees, the criminal background check shall be performed and completed at Contractor’s sole cost and expense. 12. **DISCRIMINATION.** Contractor agrees that (A) in the hiring of employees for the performance of Work under the contract or any subcontract, Contractor, by reason of race, color, religion, sex, age, disability or military status as defined in section 4112.01 of the Revised Code, national origin, or ancestry, shall not discriminate against any citizen of this state in the employment of a person qualified and available to perform the Work to which the contract relates; (B) Contractor or any subcontractor or person acting on behalf of Contractor or its subcontractors, in any manner, shall not discriminate against, intimidate, or retaliate against any employee hired for the performance of Work under the contract on account of race, color, religion, sex, age, disability or military status as defined in section 4112.01 of the Revised Code, national origin, or ancestry; (C) Contractor shall have a written affirmative action program for the employment and effective utilization of economically disadvantaged persons, as referred to in division (E)(1) of section 122.71 of the Revised Code and shall file a description of the affirmative action program and a progress report on its implementation with the equal employment opportunity office of the Department of Administrative Services; and (D) Any provision of a hiring hall contract or agreement which

If the Contractor fails or refuses to make such repair or replacement, the Contractor shall be liable for the cost, which may be deducted from the contract price.

17. **NOTICE OF BANKRUPTCY.** In the event that Contractor enters into bankruptcy proceedings, whether voluntary or involuntary, the Contractor agrees to furnish, by certified mail or electronic mail, written notification of the bankruptcy to the District office responsible for administering the contract. This notification shall be furnished within five (5) days of the initiation of proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of District contract numbers and contracting offices for all District contracts against which final payment has not been made. This obligation remains in effect until the District makes final payment under this Agreement.

18. **AVAILABILITY OF FUNDS.** The Parties acknowledge and agree that the District is a governmental entity and due to statutory provisions cannot commit to the payment of funds beyond its current fiscal year (July 1 through June 30). If funds are not allocated for the Project for any succeeding fiscal year during which this Agreement may continue, the District may terminate this Agreement at the end of the last fiscal period for which funds have been allocated without liability for any termination charges, fees, or penalties. The District shall be obligated to pay all charges incurred through the end of the last fiscal period for which funds were appropriated.

19. **RECORDS.** The Contractor shall maintain all records pertaining to this Agreement on file for not less than ten (10) years and until any audit issues are resolved. The Contractor shall make such records available to the District or any duly authorized representative of the District upon request. If this is a federally funded
contract, the Contractor shall comply with all federal records retention rules, regulations and laws and shall allow access to such records as required by federal law.

20. **TERMINATION BY THE OWNER FOR CAUSE.**

21.1 The District may terminate the Contract if the Contractor:

- 21.1.1 refuses or fails to supply enough properly skilled workers or proper materials;
- 21.1.2 fails to make payment to Subcontractors for materials or labor in accordance with the respective agreements between the Contractor and the Subcontractors;
- 21.1.3 disregards applicable laws, statutes, ordinances, codes, rules and regulations or lawful orders of a public authority; or
- 21.1.4 otherwise is guilty of breach of a provision of the Contract Documents.

21.2 When any of the above reasons exists, the District may, without prejudice to any other remedy the District may have and after giving the Contractor seven days’ written notice, terminate the Contract and take possession of the site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by the Contractor and may finish the Work by whatever reasonable method the District may deem expedient. Upon request of the Contractor, the District shall furnish to the Contractor a detailed accounting of the costs incurred by the District in finishing the Work.

21.3 When the District terminates the Contract for one of the reasons stated in this Article 21, the Contractor shall not be entitled to receive further payment until the Work is finished.

21.4 If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, including expenses of the District made necessary thereby, and other damages incurred by the District and not expressly waived, such excess shall be paid to the Contractor to the extent of Work that was actually and satisfactorily performed by the Contractor. If such costs and damages exceed the unpaid balance, the Contractor and/or the Contractor’s surety shall pay the difference to the District.

21. **WAIVER OF DEFAULT.** If the District consents to or waives the breach of any provision of covenant in this Agreement, such waiver shall not constitute a waiver of such provisions or covenant as to the future, and the District shall not be estopped from later enforcing any provision or covenant it may have previously waived or elected not to enforce; nor shall such waiver have any effect on the enforcement of any other provision of this contract.

22. **TERMINATION FOR CONVENIENCE OF DISTRICT.** The District may terminate this Agreement at its option without obligation upon fourteen (14) days written notice to the Contractor. The District may terminate this Agreement for any reason or no reason at all. Should the District terminate this Agreement for cause, but that cause be subsequently found to be insufficient to support termination, the termination shall be deemed one of convenience.

23. **EFFECT OF TERMINATION FOR CONVENIENCE.** If the District terminates this Agreement for its convenience, then the District shall only remit payment to the Contractor for Work satisfactorily performed up to the date of termination. In no event shall the Contractor be entitled to lost or anticipatory profits. Upon receipt of written notice from the District of a termination for convenience, the Contractor shall with respect to the Work that is terminated: (i) cease operations as directed by the District in the notice; (ii) take actions necessary, or that the District may direct, for the protection and preservation
of the Work; and (iii) except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

Such property insurance shall be maintained, unless otherwise provided in the Contract Documents or otherwise agreed in writing by all persons and entities who are beneficiaries of such insurance, until final payment has been made or until no person or entity other than the District has an insurable interest in the property required by this Article to be covered, whichever is later. This insurance shall include interests of the District, the Contractor, Subcontractors and sub-subcontractors in the Project.

   d. The Contractor shall provide the District with certificates of insurance evidencing the required coverages and amounts, including without limitation any certificates of renewal. Each policy required to be purchased or maintained by the Contractor, with the exception of the Workers’ Compensation policy, shall name the District as an additional insured (for the purposes of this Agreement, being a certificate holder does not constitute being named as an additional insured). The certificates of insurance shall contain a provision that the policy or policies will not be cancelled without thirty (30) days’ prior written notice to the District. Upon the District’s request, the Contractor shall provide complete copies of any or all policies for the District to review. All
certificates must be received and approved by the District before any Work under this Agreement commences.

28. **PAYMENT AND PERFORMANCE BONDS.** If applicable, the Contractor shall furnish payment and performance bonds as required by Ohio Revised Code Section 153.54, in the form required by Ohio Revised Code Section 153.57 and 153.571, and shall provide the District with proof of such bonds at the time of entering into this Agreement.

29. **PROTECTION OF PERSONS AND PROPERTY.** The Contractor will take no action that would jeopardize the safety of the District’s students, employees or guests. The Contractor will not take any action that would interfere with the District’s activities without the District’s prior written approval. The District reserves the right to require Contractor, its employees and agents to wear identification and stay in designated Work areas at all times while on the District’s property. The District shall have the right to require Contractor to remove any of its employees or agents from the Project for failing to wear proper identification, being outside the designated Work area, fraternizing with or engaging in any improper behavior directed towards or in the vicinity of students, employees or guests of the District, or for any other good cause shown.

The Contractor shall take all reasonable safety precautions with respect to its Work and shall comply with all safety measures of the District and all applicable laws, ordinances, rules and regulations for the safety of persons or property in connection with the Contractor’s performance under this Agreement. Contractor shall take any precautions necessary to protect the Work of other trades from damages cause by its operations.

30. **WARRANTY AND CORRECTION OF WORK.** Contractor warrants that (i) all materials and equipment furnished and incorporated by it in the Project shall be new, (ii) all materials, equipment and Work provided by it shall be of good quality, free from any faults and defects and (iii) all materials, equipment and Work provided by it shall be in conformity with all applicable laws, rules and regulations and with the Contract Documents. Contractor shall correct any Work that fails to conform with any applicable law, rule or regulation or with the requirements of the Contract Documents if such failure to conform appears during the progress of the Project. The Contractor agrees to assign to the District at the time of final completion of the Work any and all manufacturer’s warranties relating to materials and labor used in the Work and further agrees to perform the Work in such manner so as to preserve any and all such manufacturer’s warranties.

In addition to, and not in limitation of the foregoing warranties, Contractor shall also remedy any defects due to faulty materials or workmanship which appear within a period of one (1) year from the date of completion of the Project. One month prior to the expiration of the one (1) year period, the Contractor shall attend a walk-through of the Project.

Except for the term “employee,” terms in this paragraph are used as defined in Rule 123:1-76 of the Ohio Administrative Code.
32. **CHANGES TO THE PROJECT.** By appropriate modification, changes in the Project may be accomplished after execution of this Agreement. The District, without invalidating this Agreement, may order changes within the general scope of the Project consisting of additions, deletions or other revisions, with the Contract Sum and term of the Agreement being adjusted accordingly. Such changes in the Project shall be authorized by either (i) mutual agreement of the Parties through a written Change Order signed by the District and the Contractor, or (ii) in the absence of mutual agreement, by written Construction Change Directive signed only by the District.

In the case of a Construction Change Directive signed only by the District, adjustments in the Contract Sum shall be determined by calculating the Contractor’s cost of additional labor, material and equipment and a reasonable allowance for overhead and profit, unless the Parties agree on another method for determining the cost or credit. Pending final determination of the total cost of a Construction Change Directive, the Contractor may request payment for Work completed pursuant to the Construction Change Directive, and the District will make an interim determination of the amount of payment due for purposes of certifying the Contractor’s invoice for payment. When the District and Contractor agree on adjustments to the Contract Sum and/or the term of this Agreement arising from a Construction Change Directive, the District will prepare a Change Order. The Contractor shall proceed diligently with the performance of the changes in the Project following receipt of and as set forth in the Construction Change Directive pending resolution of a Change Order.

The District will have authority to order minor changes in the Project not involving adjustment in the Contract Sum or extension of the term of this Agreement and not inconsistent with the intent of the Contract Documents. Such changes shall be effected by written order and shall be binding on the District and Contractor. The Contractor shall carry out such written orders promptly.

Agreement on any Change Order shall constitute a final settlement of all claims of the Contractor relating to the change in the Project that is the subject of the Change Order, including, but not limited to, all direct and indirect costs associated with such change and any and all adjustments to the Contract Sum and the construction schedule.

33. **SUBMITTALS.** The Contractor shall review for compliance with the Contract Documents and submit to the District shop drawings, product data, samples and similar submittals required by the Contract Documents in such sequence as to allow the District reasonable time for review. By submitting shop drawings, product data, samples and similar submittals, the Contractor represents to the District that the Contractor has (1) reviewed and approved them; (2) determined and verified materials, field measurements and field construction criteria related thereto, or will do so; and (3) checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents. The Work shall be in accordance with approved submittals. shop drawings, product data, samples and similar submittals are not Contract Documents. In the event of a conflict between submittals and the Contract Documents, the Contract Documents take precedence and govern the Work unless the variance in the submittals is accepted by Change Order.

34. **OWNERSHIP AND USE OF DRAWINGS, SPECIFICATIONS AND OTHER INSTRUMENTS OF SERVICE.** Instruments of service, including drawings and documents that are required to be provided or prepared by the Contractor or Subcontractor pursuant to this Agreement shall become, upon payment of all undisputed payments due the Contractor, the property of the District whether or not the Project for which they are prepared is commenced or completed. The Contractor may retain copies, including reproducible
copies of such instruments of service for information and reference. Such instruments of service may be used by the District or others employed by the District for reference in any completion, correction, remodeling, renovation, reconstruction, alteration, modification of or addition to the Project, without compensation to the Contractor or Subcontractors. Such instruments of service shall not be given or sold by the District to be used by others on other projects except by agreement in writing and with agreed upon appropriate compensation to the Contractor or Subcontractor, as applicable. The Contractor shall not be held liable if (i) a third party receives the instruments of service and either modifies, changes or uses them for the Project in a way not originally anticipated when the documents were created, or (ii) the instruments of service are used by others not related to the Project without the involvement of the Contractor. If any event occurs for which the Contractor may be liable, the District shall notify the Contractor of such event as soon as practical after such event and shall provide access to the Project to the Contractor, Subcontractor and their representatives.

35. **COMMUNITY INCLUSION PLAN PROGRAM.** Contractor shall adhere to the requirements of the District’s Community Inclusion Plan Program as detailed in the ITB and the District’s goals with respect to its Diversity Business Enterprise Program and Workforce Participation Program.

36. **CLAIMS AND DISPUTES.**

37.1 The parties are fully committed to working with each other throughout the project and agree to communicate regularly with each other at all times so as to avoid or minimize disputes or disagreements.

37.2 Contractor and District will first attempt to resolve any dispute, disagreement, controversy or claim (including a claim that is not resolved in accordance with Section 37.1) through direct discussions. Upon the request of either party, Contractor and District shall meet as soon as possible, but in no case later than thirty (30) days after such a request is made, to attempt to resolve such dispute or disagreement. Prior to any meetings between Contractor and District, the parties will exchange relevant information that will assist the parties in resolving their dispute or disagreement. If the meeting does not occur within the thirty (30) day period, or if after meeting Contractor and District determine that the dispute or disagreement cannot be resolved on terms satisfactory to both parties, the parties may, within thirty (30) days thereafter, follow the process set forth in Section 37.3 herein.

37.3 Any dispute, disagreement, controversy or claim between District and Contractor arising out of or related to this Contract, or the breach thereof not resolved through the process set forth in Section 37.2, shall be settled by litigation as the method of binding dispute resolution. In addition, the Parties may, by written agreement, submit any disputes to non-binding mediation upon such terms as shall be mutually agreeable and such mediation shall take place at an agreed-upon location in Cuyahoga County, Ohio. The mediation may occur concurrently with or prior to litigation. This Article shall not prevent either party from bringing a third party claim in pending litigation for indemnity and/or contribution.

37. **MINIMUM WAGES.** Laborers and mechanics employed on the Project will be paid the full amount of wages and bona fide fringe benefits or cash equivalents thereof at rates not less than those contained in the applicable general wage determinations by the United States Department of Labor (“DOL”) in accordance with the Davis-Bacon Act, 40 USC 3141 et seq. and 29 CFR, Parts 1, 3, 5, 6 and 7. The current DOL general wage determination is attached as Exhibit D. In the event that the class of work of any of the laborers or mechanics for the Project are not covered by the DOL’s general wage determination, the Contractor shall use good faith efforts to obtain a classification and wage rate determination from the
DOL. In the event the Contractor is unable to obtain the classification and determination from the DOL, then the Contractor shall utilize the rate and classification for Cuyahoga County, Ohio as established in the applicable collective bargaining agreement for the Work, regardless of whether the Contractor is a party to the collective bargaining agreement. The District will not seek enforcement of the wage rates through the DOL or the mechanisms of 40 USC 3141 et seq. Rather, the District shall be entitled to rely upon the accuracy and completeness of certified payroll reports of compliance with the wage rate requirements submitted by Contractor. When submitting certified payroll reports, Contractor shall utilize the DOL Form WH-347 or equivalent form. Failure to pay the wage rates will be deemed non-compliance and a material breach of the terms and conditions of this Agreement.
