To Garrett Morgan Scholars and their Parents and Caregivers:

Each year, CMSD engages in a thorough planning process designed to match our school offerings with the interests of our students.

As a result of this planning and discussion, Garrett Morgan will move, in the 2020-21 school year, to the new West Side high school campus under construction on Detroit Avenue between W. 45th and W. 49th Streets.

The new campus will house two schools – Garrett Morgan and a new school program to be designed over the coming year. As we prepare to move to this new campus, we will take this opportunity to look at ways we can strengthen the Garrett Morgan academic program while preserving our many existing successes.

This will be a very exciting time for Garrett Morgan, as we will be moving to a brand-new facility where our scholars can learn and grow in a 21st Century environment. We will continue to share information as it becomes available.

Please don't hesitate to call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Quenton Davis'.
