

In an effort to inform parents about when their student will be taking district or state required tests this school year we have listed below the dates for each grade level.

Unless otherwise noted, the dates listed are ***when the testing window opens***. The specific date of a test is determined by each building principal who will communicate this ahead of time to parents when possible.

For most tests, results can be accessed via Powerschool or from a student's home building. Results from the Ohio State Tests, which are required by the Ohio Department of Education, will also be sent via letter by their school. When a student is identified as gifted, a mandatory letter of identification will be sent home to his or her parents.
