18_Approve Supplier Contract or Contract Amendment

**Purpose:** The purpose of this task is to approve a new or amended Supplier Contract.

**How to Access:** Access your Workday Inbox, look for Actions beginning with “Supplier Contract”, and the title is Approve Supplier Contract.

**Audience:** Approvers

**Helpful Hints:**
- Pending approvals show a number notification on Inbox Worklet icon. If no notification display, check with the creator of the Supplier Contract.
- Workday displays fields in this task that CMSD is not using, only the fields listed in this document require you to complete, review, and/or update.

**Procedure:** Complete the following steps to approve a Supplier Contract or a Contract Amendment.

1. Select the required Supplier Contract task from the Actions tab.  
   **Note:** For this work instruction, the required Supplier Contract task displays.
2. Review the Supplier Contract details to verify the information is correct.
3. Review the supporting documentation from the Attachments section.  
   **Note:** All Supplier Contracts must have a Vendor Contract or Term Agreement document attached.
4. As required, add any notes in the enter your comment field.
5. As required, complete one of the following:
