

SECURITY DRILL DIRECTIONS

Room _____ Turn _____

Upon Leaving Room

Use _____ Stairway To _____ Floor _____

Your Shelter Area Is Near _____

Pupils in pairs should march quickly and quietly to their shelter areas. Maintain security positions until all clear signal is given. The building alert will be given by the regular passing bell with a series of short staccato rings of one minute duration.

The building all clear signal will be given by one long ring of one-half minute duration. Normal activities will then be resumed, pupils returning to their rooms.
