

Campus International Athletics & Enrichment

Ambition ♦ Commitment ♦ Allegiance

Campus International's Upper School is committed to providing the same breadth of opportunity for students to engage in extracurricular activities that students and families have come to expect at the Lower School and is participating in the Ohio High School Athletic Association (OHSAA) beginning this year in 2018-19.

Campus International School cultivates balanced scholars who embody ambition, commitment, and allegiance to each other, their school, and their community as they pursue excellence in the areas of their personal passions.

nikita.boyd@clevelandmetroschools.org

What You Need to Get Started:

- 1) Fill out an interest form on our website or contact Mr. Holt at josiah.holt@clevelandmetroschools.org **BY FRIDAY, JULY 13TH**
- 2) All activities, with the exception of Debate, require a completed physical examination and all other OHSAA Pre-Participation Forms. All forms are available on the athletics page of our school website (www.clevelandmetroschools.org/cihs). *In addition, students wishing to participate in Crew or Sailing need to complete a swim test and swimming verification form.

All activities will continue when school starts on August 6th with after-school practices every day in most cases (at least 3 times per week).
