

STUDENT POLICIES GOALS

The District advocates the following goals:

1. to have each student be successful in a rigorous instructional program;
2. to ensure safe, secure and orderly schools;
3. to communicate to students both their rights and responsibilities through dissemination of a “Student’s Rights and Responsibilities” booklet;
4. to target additional resources to underachieving students;
5. to prepare students for career and post-secondary education; and
6. to promote extracurricular activities for students.
