

PHYSICAL EXAMINATIONS OF STUDENTS

The District requires health records of students in the following circumstances.

1. Kindergarten and first grade students entering school for the first time must have a completed health record before being admitted to school. The record shall include information on the results of medical screening tests required by law.
2. Health records are requested for all students transferring into the District. If the previous school does not forward a record, or if it is incomplete, it is the parent(s)/guardian(s)' responsibility to comply with health requirements for students.
3. Students must have physical examinations prior to their participation in interscholastic athletic programs.
