

PUBLIC SOLICITATIONS IN THE SCHOOLS

No person may sell or offer for sale within school buildings or on school property any articles or services or solicit contributions except those approved by the Chief Executive Officer or the Board. This policy does not prohibit any school fund-raising activity authorized by the Chief Executive Officer or other appropriate building administrator.

Salespeople representing educational companies may be granted the opportunity to speak to teachers by making arrangements through the principal's office. Such appointments must not interfere with the classroom work of the teachers.

The school directory or lists of students are not made available to any outside person or agency for a profit-making purpose.
