If We Were in Charge of the World - Fall 2024

If i was in charge of the world - Shannon G

If I was charge of the world there would be x 4 the paycheck

If I was charge of the world there would be mythical creatures and animals

If I was charge of the world there would be free food

If i was charge of the country we wouldn't have violence

If i was charge of the country we wouldn't have rent

If i was charge of the country we wouldn't starve

But I'm not in charge of the world. You are

So this is what i want to tell you to do,

When you're in charge

The world i want to see is a world

where there would only be a small amount of homework

And the leaders of our country

would care for our people by helping out the homeless or poor

Even if i didn't have power

i would still want to change the world by helping everyone <3

If I were in Charge of the World - Lawrence

If I was in charge of the world
there'd be jobs for kids under 14,
ban north korea rules,
free food but you have to pay sales tax.
If I were in charge of our country
we wouldn't have 6 hours of school instead just,
we wouldn't have mortgages or rent
but you can buy a house for 1,000 dollars,
Netflix is free.

But I'm not in charge.
You are,
So this what I want to tell you to do,
when you're in charge.
The world I want to see is a world
where the world is based off a family movie
and all houses are under \$1,000.
Where more prisons are built for less criminals in the area of the suburbs.

If I Were In Charge of the World - Corbin N.

If I were in charge of the world
i would make movies free,
i would make designer clothes \$10,
And no one would be homeless

If i were in charge of our country
we wouldn't have high gas prices,
we would stop gun violence,
and we would have people that are not poor

The World I wanna see
is a world where stuff is free,
where all people have a home, and have a car.

The world I want to live in would be
cool, fun, lovely, careful, and no harm
And the leaders of our country would be
Helpful, nice, and kind.

If I were to change the world
everyone will love each other
and have peace and harmony.

I'm not in charge of the world
but I have the power to try and help people with some problems
and try to fix my mistakes
because i'm not in charge of the world
but I'm at least in charge of me.

If I were in Charge of my World - Lay'onie C.

If I were in charge of my world there'd be
More food stamps
More houses
More freedom

If I were in charge of the world
We wouldn't have slavery ever again
We wouldn't have gun violence and school fights

What i want to see is a world
where real friends will share food stamps
and it will be more restaurants for poor people

The world I want to live in would be a safer world
without gun violence and without littering
And the leaders of our country would be nice to everybody

I'm not in charge of the world
but I still have the power to clean my room
and be a good friend

If I were in Charge of the World - Amiya

If I were in charge of the world
There'd be free chicken at Golden Corral
And free Mcdonalds too.

If I were in charge of the world
My friends would have beautiful houses
And I would buy my family a Tesla

The world I want to see is a world
where it is quiet and peaceful and
my across the street neighbor wouldn't sing so much out in the yard

The world I want to live in
Would have better people and the houses would be fixed up
And the leaders of our country would be good at teamwork
and they would care about me and my family

I'm not in charge of the world
But I can help by not arguing
And I can be kind

Garden Plays

Saving the Plants

By Lawrence

Lamar: Can I make a garden, Dad?

Dad: Why would you want to do that?

Lamar: Because we can make food for us so we can make our favorite food, lettuce and sweet potato and strawberry salad!. Plus those fruits and vegetables have a lot of vitamins and minerals so if we get sick we eat that to get better!

Dad: Great idea but I'm not buying it. Just drink water and take medicine from the pharmacy.

Lamar: But we can give out to the homeless shelter.

Dad: Okay, deal! I love helping people out

Two days later

Dad: Lamar, pass me more seeds please.

Lamar and Dad: Okay, we're done Yeah!. 2-3 Months Later.

Lamar: Yay! Now we have food...
