

## Family School Compact School Year 2025-2026

Buhrer Dual Language Academy, scholars participating in the Title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the scholar will share the responsibility for improved scholar academic achievement as well as describe how the school and families will build and develop a partnership that will help scholars achieve the state's high standards.

### School Goals

Our goal is to provide high quality instruction to achieve academic performance at or above grade level, attain high levels of bilingualism in both English and Spanish, and develop cross-cultural global understanding and positive communication strategies. This will lead to gains in increasing proficiency at all grade levels in both the Spanish and English language.
