

Thankful November

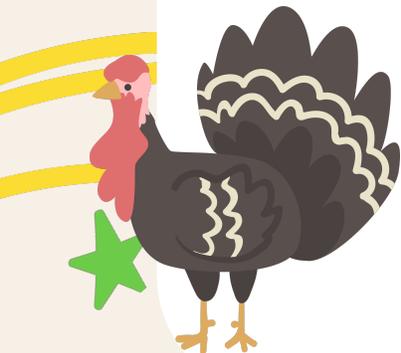

Quarter 2!.

Happy November everyone! We are now in quarter 2 of the school year. Report cards should be coming home soon. Election Day is November 5th, so no school for students. Parents please go out and vote, especially for Issue 49. Let's get this levy passed for our scholars in Cleveland!

This month's newsletter will have family engagement news, reminders about My PowerHub and a quick update about the Get More Fund.

I look forward to seeing many of you at our event November 19th, 2024!

This Month

Reading Night!

This month we are hosting reading night. Learn some useful reading methods to use at home to support your scholars.

There will be prizes raffled to parents and caregivers. Reading materials will be sent home with each family. And there will be a fun cooking activity.

Attention Remote K8 Families
Join us for our
Fall Cooking, Crafts and
Close Reading Night
Tuesday, November 19th
4:00pm at John Adams High School

Complete a sweet treat cooking activity, play fun fall games and make fun crafts.

Remote School K8 Fall Cooking, Crafts and Close Reading Night

We will raffle off a gift basket and give out PBIS points for those in attendance.

Register using the QR or via this link:
<https://forms.office.com/r/BS-EB2FxdFD>

AGENDA

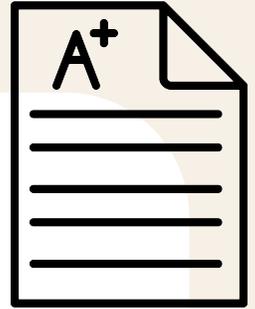

- Meet with our Parent Ambassador and share your suggestions, concerns and get your questions answered.
- Here about the Third Grade Reading Guarantee and what that means for your scholar.
- Learn about Close Reading strategies and what learning applications can help your scholar.
- Signup for your MyPowerHub account.
- If you cannot attend in-person but would like to hear the information, we will hold a **virtual session on 11/20/24 at 5:00pm via Zoom** - <https://deslandmetroschools.org/zoom.us/j/96129261181>

I will be there collecting feedback from parents to help advise us throughout the year to figure out what kinds of events and supports you need and want.

Also, I was so happy to see the families that came to our Fall Fest. Thank you for attending!

MyPowerHub

Check Your Child's Grades with MyPowerHub.

MyPowerHub is the parent portal end of PowerSchool. PowerSchool is the main database of all student information. It is how the district and each school handles enrollment, attendance, grading and other student data.

MyPowerHub is the portal for parents. This is where we can see attendance data for our kids and their grades in real time. Since the district decided to no longer distribute progress reports throughout the year; parents having access to this portal is of the most importance.

Remote K8 School educators are updating grades every 3

weeks and updating attendance daily. When you create an account and use the app; you will be able see these updates. If you ever see a grade that is alarming or unexpected, you can have a talk with your child and then have a conference with the teacher to talk about goals and improvement.

I believe that this is one the most valuable resources we have as parents this school year. Please make sure to utilize it.

Without an account you will only get grade updates at the time of report cards.

More News

CMSD Get More Opportunity Fund 2.0

There is still time for parents and students to fill out an application for the Get More Fund. Our school has been awarded around \$40,000 that could be used for a special project for students. It can be a field trip or new technology and equipment for students that

they can use when they come onsite like 3D printers. You can even suggest a team or a club. Whatever you can think of that would provide students with a different opportunity could qualify.

Even though the deadline for applications is November 8th; I still encourage everyone to try to take advantage of this opportunity. [Follow this link for more information.](#)

PAC

The Parent Advisory Committee

We will have another meeting opportunity this month at reading night on the 19th. Please try your best to attend to provide feedback about any attendance and engagement barriers. I am also looking for feedback about how parents want to contribute to the PAC this school year. Providing feedback will get you entry into a prize raffle for parents.

COMMITTEE MISSION:

"WE ARE A GROUP OF VOLUNTEER PARENTS WHO REPRESENT THE INTERESTS OF THE SCHOOL COMMUNITY AND PROVIDE A VALUABLE BRIDGE BETWEEN THE SCHOOL AND THE FAMILIES IT SERVES."

Thank you for
reading!
