## Parents: Register to view your child's activity

In your browser, navigate to <https://app.schoology.com/register.php>

### 1. Click on **Parent**.

- You should have received a Parent Access Code from your child's school, in the format XXXX-XXXX-XXX. Enter that code here.
- Enter your name, email address, and password. Once you log in, you'll be able to browse your child's activity by clicking the arrow to the right of your name and selecting your child's name from the top right drop-down menu.

- You also have the option to associate additional children using Schoology with this account. To associate additional children, click the down-facing arrow in the top right of your Schoology account, select **Add Child**, and enter the Parent Access Code of your other child/children.

Now that you've successfully registered for Schoology to view your child(ren)'s activity, check out our [Parent Resource Center](#) and [Parent Guide](#).

Schoology support can be found by clicking the **Support** button at the bottom of the page when logged into Schoology.
