

SIMILES WILL MAKE YOU SMILE

**BY THE THIRD GRADERS
IN MS. BENJAMIN & MS. VINSON'S CLASSES**

**MARY M. BETHUNE SCHOOL - CLEVELAND, OHIO
2019-2020**

This is the creative work of the third graders in Ms. Vinson and Ms. Benjamin's classes at Mary M. Bethune School. During the 2019-2020 school year, teaching artist, Cynthia Larsen from Lake Erie Ink: a writing space for youth, taught third grade students how to write similes and use sensory details to write descriptively about themselves and the places they love, and even more exciting, the third grade students created and described MONSTERS!! Unfortunately, the students' monster writing could not be included due to the abrupt closure of the school due to the pandemic. (If we can get our hands on all of it, we'll publish those stories and pictures later this summer!)

The creative work of these students and their teachers was funded by a TeachArtsOhio grant from the Ohio Arts Council. We would like to thank the OAC for supporting the arts and creative expression at Mary M. Bethune School. We also want to thank the students, teachers, and principal for supporting creative expression in the classroom.
