MONTHLY FINANCIAL STATUS REPORT

Expenditure Summary

The fiscal year 2020 General Fund budget for the District is \$761,760,050. This budget, coupled with carryover encumbrances of \$17,598,133, resulted in a \$779,358,183 appropriation for FY 2020. The following information is a financial update of the status of this appropriation through March 31, 2020.

Through March 31, 2020 the District has expended \$566,316,596 which reflects 73.00% of the District's total appropriation (see Exhibit A). The District also has outstanding encumbrances of \$. A statistical spending range for the District is based on two analyses: first, time elapsed is nine months, or 75.00%, of the fiscal year. Secondly, 38 of the 51, or 74.51%, of the total pay periods have passed. Figure 3 illustrates these points.

Figure 3: Expenditure Level Through March

Overall, the District's expenditure level through March is trending slightly below target based on the above analysis. As an examination of the categories of expenditures is performed, cyclical variances are noted between categories which related specifically to school opening activities.

CLEVELAND METROPOLITAN SCHOOL DISTRICT

MONTHLY FINANCIAL STATUS REPORT

Figure 4 compares the various expenditure categories to the expected level and to the prior two years. Figure 5 provides the year to date expenditure level by category for the current year as well as the prior two. The three years of data will be beneficial for trend analysis performed throughout the year. Further discussion of these two figures is included on the following page.

Figure 4: % Spend to Budget for YTD Expenditures

Target percent of 75.00% is based on the # of months completed in the current year.

Figure 5: Expenditure by Category

Data labels represent figures for current FY

CLEVELAND METROPOLITAN SCHOOL DISTRICT

MONTHLY FINANCIAL STATUS REPORT

As Figures 4 and 5 illustrate, overall salaries and fringe benefits are less than prior years. This is due to the timing of payroll periods and we expect this to flatten out as the year goes on. The trend line in Figure 4 is based on the time elapsed for the year. Health care costs are forecasted to increase 7.5% in FY 20 from FY 19.

The current year Purchased Services and Materials categories indicate a 77.05% encumbrance/expenditure level for this month.

The Capital encumbrance/expenditure level, whose budget comprises only .6% of the total General Fund budget, indicates a 60.84% encumbrance/expenditure level for this month. It should be noted that the vast majority of on-going construction projects are accounted for in other funds and therefore not reflected in the encumbrances/expenditures above.

Finally, the debt service and other objects category of encumbrance/expenditures, which mainly reflects the payment of treasurer and auditor fees, and the transfer of monies to other District funds (as required by State regulations), is as expected as of March 31, 2020. Debt payments occur in July and April while the transfer of monies to other District funds will occur in June.
