

You would first want to navigate to the following URL or if available the Clever icon on your desk top:

<https://clever.com/in/cmsd> The below login page will appear

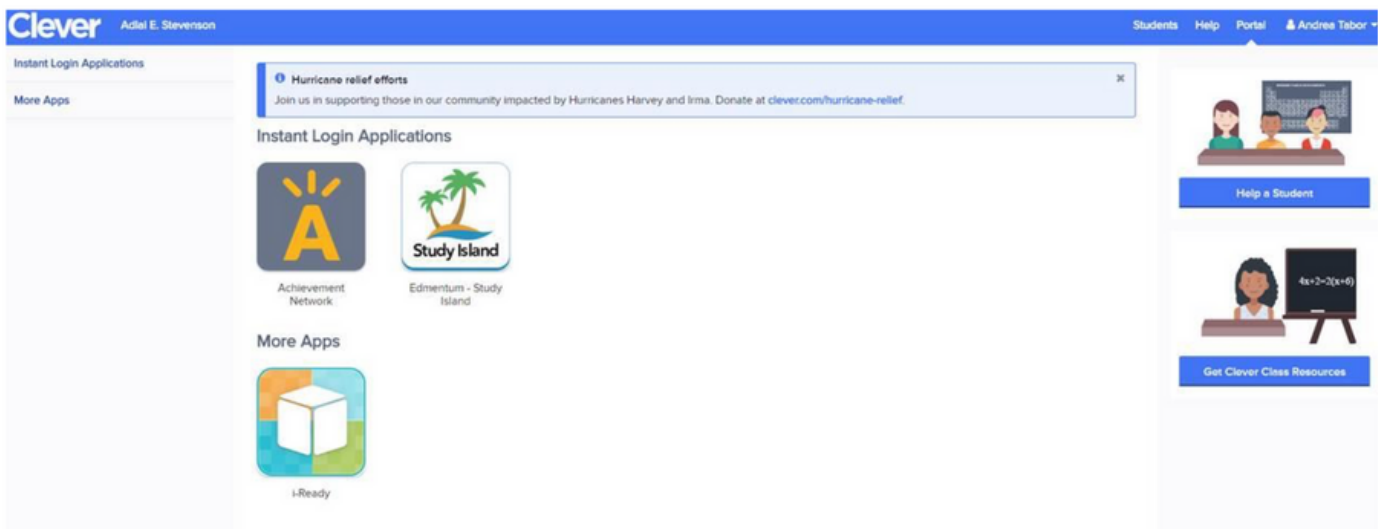

Students should select “Log in with Clever”

Students will use their MIM username and password (**Passwords are case sensitive**). This passwords for the most part is universally used with just about any academic application in the district.

Student usernames are the first four characters of last name followed by first two of the first name but with a 3-digit number at the end. Example: Marcus Thompson = thomma123

After logging in students will see all applications they have access to via Clever

You will then click on any application you are trying to access. (e.g. Study Island, iReady, Achievement, etc.)
