

RESOURCES & SUPPORTS FOR FAMILIES & CAREGIVERS

ATTENDANCE GUIDELINES

Based upon feedback from the student attendance training, we have created an updated student attendance guidance document for PreK-8 schools. This [parent/student friendly document](#) explains synchronous and asynchronous attendance and offers tips for parents and students about how to fully participate and support their eLearning experience.

BACK TO SCHOOL CHECKLIST

This four page [Back-to-School Checklist](#) includes links to multiple resources to assist families and caregivers as they support their scholars in beginning remote learning.

INTERNET SAFETY

We have created a [family friendly Internet Safety Guidance](#) document to assist families with how best to protect their children who now have their own individual devices

MEAL PLANS

We have posted our September breakfast and lunch menus for both K-8 and High Schools are now available on the [School Nutrition webpage](#).

REMOTE LEARNING SUPPORT

The Family and Community Engagement team worked with teachers to create 5 videos for parents/families to support remote learning at home. These videos will also be available on the Reopening website. The five videos are:

- [Importance of Creating a Schedule](#)
- [How to Create a Workspace](#)
- [Motivating Students to Participate in Remote Learning](#)
- [How to Learn ELA with Games](#)
- [Math at Home: Math Talk](#)

TECHNOLOGY SUPPORT

Below are several videos to help you connect with some of our many resources. While they are Chromebook focused, they are very clear and helpful. They are:

- [Online Learning Intro](#)
- [Logging onto Clever](#)
- [Setting up Your Chromebook](#)
- [Schoology Overview](#)
