	TEACHER INSTRUCTIONS
Do I need an Activation Email?	<p>Existing eTPES users do not need an activation email each year. They will use their username and password from the previous year even when assigned to a different district or building.</p> <p>New eTPES users will be sent an activation email by their Principal. The activation email will allow an account and password to be set up.</p> <p>I did not receive an activation email. What should I do? It may take 10-15 minutes before the email arrives. Be sure to check your junk or spam folders. The email will be from no-reply@ohiotpes.com.</p> <p>If allotted time has passed, contact your Principal.</p>
I Forgot my Username and/or Password?	<p>Use the Forgot your username? or Forgot your password? links on the login screen to retrieve your username or reset your password. You will need to enter your state id and email address.</p> <p>What email address should I enter? Enter the email address stored for you in eTPES. Typically this is your work email address. If you do not know what email address to enter, check with your principal.</p> <p>What is my state id? Use the following link to search for your state id: https://coreprodint.ode.state.oh.us/CORE2.3/ODE.CORE.EducatorProfile.UI/EducatorSearch.aspx (link displayed on Forgot Username/Password screen).</p> <p>I didn't receive the email. What should I do? It may take 10-15 minutes before the email arrives. Be sure to check your junk or spam folders. The email will be from no-reply@ohiotpes.com.</p> <p>If allotted time has passed, contact your Principal.</p>
